Forecast For Northeast England
Issued by Met Office Exeter
at 0400 on Tuesday 10 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells and showers, locally heavy, today. Feeling warmer.

Today:
There will be a mixture of sunny spells and showers today. The showers will be locally heavy at times, especially by the afternoon. However, some places will escape with a largely dry throughout. Feeling a little warmer than on Monday. Maximum temperature 22 deg C (72 deg F).

Tonight:
Any showers will gradually fade this evening. It will become dry with some clear spells developing for many overnight. Feeling cool with light winds. Minimum temperature 8 deg C (46 deg F).

Wednesday:
After a dry and bright start, cloud will increase from the west to bring some outbreaks of showery rain during the afternoon. Breezier too. Rain clearing by the evening. Maximum temperature 22 deg C (72 deg F).

Outlook for Thursday to Saturday:
Mostly fine and dry, with sunny spells on Thursday. Sunny spells and showers on Friday, and windier too. Largely dry and bright on Saturday, with perhaps the odd shower.
